

February 4, 1974

PRESIDENT: The motion is then to adopt the E & R amendments to LB323, all those in favor say aye, those opposed say no. Amendments are adopted.

SENATOR CAVANAUGH: Mr. President, I move the LB323 as amended be advanced to E & R for engrossing.

PRESIDENT: You have heard the motion to advance the bill, all those in favor of advancing 323 say aye, those opposed say no. So ordered, the bill as amended is advanced. Thank you.

CLERK: Mr. President, a communication addressed to the Secretary of State. (Read communication - refer to Journal p. 495.)

PRESIDENT: Thank you. Do we have any other motions on the desk?

CLERK: Yes. Mr. President I ask unanimous consent to change committee rooms with the Public Works committee due to the nature of the hearing. Signed Senator Waldron, Chairman for Miscellaneous Subjects. This is on Thursday, February 7.

PRESIDENT: The Chair recognizes Senator Waldron for his motion.

SENATOR WALDRON: I have talked to Senator Kremer about this. The Miscellaneous Subjects Committee will have a number of people in for the hearing for I would like to use the East Chamber and Senator Kremer says that it is fine that he uses room 1019 which will not hold the crowd that we expect for Miscellaneous Subjects, but I think it will for the Public Works committee. So he has agreed to this and if there is no other objection, then I would appreciate this change?

PRESIDENT: Are there objections to the change? Senator Waldron asking unanimous consent to switch hearing rooms? Any objections? Hearing none, so ordered it will be done.

CLERK: Mr. President I move that no State Department bill be introduced except by the request of the Governor. Signed Senator Carpenter.

PRESIDENT: The Chair recognizes Senator Carpenter for his motion.

SENATOR CARPENTER: I think the motion is self explanatory. I want it definately understood I am not asking this to introduce the Chief Executive of any circumstance, but I do think that before we get into important areas in which the Chief Executive might be embarrassed by the departments asking us to do something that he doesn't want, that we ought to request that every departmental request in so far as th introduction of a new bill be requested by the Governor by the department.

PRESIDENT: Senator Whitney do you care to debate the motion?

SENATOR WHITNEY: Yes. Mr. President, may I ask Senator Carpenter a question please?

PRESIDENT: Senator Carpenter, do you yield?

SENATOR WHITNEY: Now for what duration of time is this involved? Does this mean for the balance of this session or is this forever and ever and ever?

SENATOR CARPENTER: Well I presume that it would be forever and ever unless somebody wants to change it, and I don't know why it shouldn't be forever and ever.
